Roaring Creek

County Executive George Thacker asked if the City of Graysville would like to take over the maintenance permit for Roaring Creek.

The board had several questions; if we were to take over the maintenance permit will be responsible if the rules and regulations of the permit are broken.

The City of Graysville has been told several times no vehicles are allowed in creek; County Executive Thacker asked what the alternative is to not allowing Mr. Bill Sligh to pull rock from the creek.

After several minutes of debate a motion was made to have a special called meeting with Dick Urban from the Department of Environment and Conservation division of water pollution control to get more information before the board decides if they want to take over the maintenance permit by Commissioner Kaylor; 2nd by Commissioner Beene. Motion carried 5 – 0.

A motion to adjourn was made by Mayor Doss; 2nd by Commissioner Beene. Motion carried 5 – 0.

Mayor, Ted Doss

City Recorder, Michelle Horton
