| Commissioner Michael May    | Present |

**Audit**

Mayor Doss "It is six weeks till the end of our budget; it is customary in the past when a city recorder is let go we do an audit but it doesn't have to be a full blown audit. I have talked with the auditor and he suggests doing a financial audit which would be bank statements and things of that nature. That will show whether or not anything was done wrong in Michelle's office that will also show us if she done her job, any discussion on this?"

Commissioner Kaylor "I feel we need to because of all accusations that was pointed towards her it will prove for her that they were nothing but barefaced lies."

A motion to have a financial audit due to the fact the city recorder has left the job to prove innocence or guilt was made by Commissioner Kaylor; 2<sup>nd</sup> by Commissioner May.

Mayor Doss "If the auditor feels we need to go farther I will call another special called meeting to get it approved thru the board on that."

Motion carried 3-0.

**Elected Officials Responsibilities**

Mayor Doss "In the past we have briefly touched on the things the board has the right to do and things that we are not allowed to do. Example I don't have the power to tell a city employee to go and do this, go and do that it is a board's decision. We have took over the responsibility to do the hiring and

firing at this point. I got a call the other day one of the board members wanted to go into Michelle's office to shred some paper work and stuff. Thru talking to our attorney that is against the law and the district attorney confirms that. My recommendation is any city employee goes into Michelle's office until farther notice has to have someone from the board with them and no person at all in there by themselves going thru the files, books or anything until we get things in hand here. I got a call today about getting checks done I came down and took Amanda in there but the battery in there is dead on the lock so we can do one of two things: one we can shimmy over the wall to unlock it from the inside or two we can call a professional to come in. What is your suggestion on that?"

Commissioner Kaylor "Professional cause once someone starts going over its going to become a habit."

Commissioner May "I agree."

Joy Keylon" The commissioner you're referring to is not here..."

Mayor Doss "I'm sorry but nobody is to speak tonight under a special called meeting."

Mrs. Keylon "You're making allegations...."

Commissioner Kaylor "Mayor."

Mayor Doss "I ask you not to speak. Yes sir."

Commissioner Kaylor "I was just calling point of order; you're not supposed to be speaking out in this meeting, I am tired of it."

Mayor Doss "Yes."

Mrs. Keylon "Shut your wife up then."

Commissioner Kaylor "Mayor I ask she be removed from meeting."

Mayor Doss "Is there an officer back there?"

Mrs. Keylon "I can be removed."

Animal Control Officer Bobby McMillon "He is on a call."

Mrs. Keylon "He's gone, call the county like you did last time."

Mayor Doss "Okay. We will get a locksmith down here to get in there and I'll take responsibility to be here."

A motion that anytime Amanda or Michelle Yearwood goes in there that one of board members be present was made by Mayor Doss; 2<sup>nd</sup> by Commissioner Kaylor.

Commissioner Kaylor "Sure that covers them, need that."

Motion carried 3-0.

Commissioner Kaylor "Question mayor, are we allowed to come in and get original documents and leave this building with them or should we have copies?"

Mayor Doss "Anyone who comes at a reasonable hour with reasonable request can get copies. No original documents are to leave the building."

Commissioner Kaylor "We had original documents as in form bank statements, a commissioner came in here and left with them. I totally disagree with that as you are allowed copies, not take original documents."

Mayor Doss "Is that right Mrs. Barron?"

City Attorney Carol Ann Barron "It is correct."

Mayor Doss "You went to elected officials academy and I have went to them and that is one of the things in the class so you know what you can and can't do we will pass it on to the vice mayor."

Commissioner Kaylor "I feel like if it is done again charges need to be pressed. Once you're told you're told, it's a strict violation of the law."

A motion to adjourn was made by Mayor Doss; 2<sup>nd</sup> by Commissioner Kaylor. Motion carried 3-0.
